EC-Declaration of Conformity for Medical Devices Class IIa, IIb and III

Heidenheim, 25. February 2021

We herewith declare,

that the medical devices, listed in the appendix, which are first placed on the market by PAUL HARTMANN AG, are classified as class IIa, IIb and III and meet the applicable provisions, especially the Essential Requirements of the Council Directive 93/42/EEC of 14th June 1993.

The conformity assessment procedure for the IIa and IIb products according to Annex II excluding 4 of the Council Directive 93/42/EEC has been performed and the technical documentation is kept available. For the class III products the required conformity assessment procedure according to Council Directive 93/42/EEC Annex II including Section 4 has been performed and the technical documentation is kept available.

This EC Declaration of Conformity is issued under the sole responsibility of PAUL HARTMANN AG and is valid until 25th May 2024.

The conformity assessment procedure is under the supervision of the Notified Body TÜV SÜD Product Service GmbH, Ridlerstraße 65, 80339 München, Germany, Identification No. 0123.
